

Located on 230 metres of pristine, white sand beach on the island of Koh Chang, Tranquility Bay Residence is one of Thailand's premier boutique Resort developments.

The property comprises one and two bedroom luxury condominium units and a select handful of the finest pool villas, nestled amongst landscaped gardens with stunning views of the outlying islands.

Built to internationally recognized construction standards and designed to complement and reflect Koh Chang's natural beauty, Tranquility Bay Residence affords buyers a lifestyle and investment opportunity attractive to both permanent residents and investors. The stylish architecture and contemporary interior design combined with Thai design and flair to provide owners with the perfect tropical island dream home.

The 86 Condominium units are provided in three sizes to suit your lifestyle requirements: One bedroom 60 sq.m.; Two bedroom 104 sq.m. and Two bedroom 120 sq.m. duplex. All units are sold fully-fitted and furnished with interiors designed for a modern tropical lifestyle. This prime, private location is complimented by low rise architecture, and interior designs that seamlessly blend the old with the new, combining luxury with functionality, to make your home away from home truly unique.

By the shore, 10 luxurious pool villas ranging in size 350 to 500 sq.m. provide the ultimate beachfront home for a select handful of discerning buyers.

The villa configurations offer customized specifications, interior packages and the design flexibility to create your own individual piece of paradise.

Each villa is set directly on the beachfront amongst lush gardens and takes full advantage of its prime location, with stunning views to the islands and beyond, whilst providing total privacy and luxury.

The property also boasts a private jetty and mooring for boat

enthusiasts, a spectacular 30 metre infinity edge swimming pool, Deluxe Clubhouse, Restaurant, Reception and Recreation areas including a outdoor Bar and Barbeque area, or you can explore the bay by kayak or visit the best snorkeling and dive sites that Thailand has to offer on any of the 52 surrounding islands, many of which can be reached by speedboat in just 20 minutes.
